Dear Business Owner,

Let’s introduce you to Lake City Heat Volleyball (LCHV). LCHV was founded in 2025 with a purpose to build a competitive, community-driven volleyball club focused on skill development, leadership, and team success, all at an affordable cost. We want to give young athletes the opportunity to grow within an organization, compete for championships, and build something they’re proud to be part of.

These are exciting times for our club and the athletes we serve.

Lake City Heat Volleyball operates under Lake City Heat Inc., a registered 501(c)(3) nonprofit organization. Most of our funding comes directly from the families of our players. To keep costs accessible for families and stay true to our purpose, we invite local businesses and community members to support our program through sponsorship.

Please take a moment to review and select the sponsorship package that best fits your business or budget. If you have any questions, don’t hesitate to reach out, our staff is happy to help. You can contact us at info@lakecityheatsports.com. Thank you for your consideration and support of Lake City Heat Volleyball.

Respectfully yours,

Director Sergio Gallegos,

Lake City Heat Volleyball
